MEMORANDUM

To: Docket No. 4770 Service List
From: Cindy Wilson-Frias, Chief of Legal Services
Date: June 14, 2019
Re: Docket No. 4770 – The Narragansett Electric Company d/b/a National Grid Electric and Gas Distribution Rate Filing - Rate Year 2 (Electric)

PROCEDURAL SCHEDULE

Thank you for your participation in Wednesday's procedural conference. The following reflects the agreed schedule. Discovery responses are due within 10 days of issuance. The Division agreed to advise the Company immediately upon identification of any issues it encounters during its review.

06/28/2019 – Deadline for intervenors to file if the party identifies any reason why the proposed Rate Year 2 revenue requirement and/or rates are inconsistent with the approved Amended Settlement. Any memoranda or testimony shall identify the issue, explain the deficiency with reference to the Amended Settlement, and propose a remedy.

07/25/2019 – Deadline for the Division to submit a recommendation

08/01/2019 – Deadline for National Grid to file a response to any intervenor filing or Division recommendation

08/08/2019 – Open Meeting decision unless the matter becomes contested (if that happens, a hearing will commence at 9:30 a.m. and the notice will be published by 07/29/2019)

08/20/2019 – Placeholder Open Meeting if one is not conducted on 08/08/2019
